The Town of Champion Planning Board meeting was called to order at 7:30 p.m., by Chairman LaBarge. Present were members Steve Eddy, Frances Brooks, Kathryn Smith and James Surace.

Chairman LaBarge made a motion to suspense with the reading of the minutes from the March 29, 2012 meeting and to approve them as presented. Steve Eddy seconded the motion which passed unanimously.

Kathy Amyot commented on the feedback from the recently held local government conference.

An application for a minor subdivision on Putman Hill Road was received from James Cooper. Cory Cooper explained that approximately three acres will be subdivided from the 14, which is located in the rural corridor zone. The board explained that a survey was required and either James Cooper must attend the meeting or a letter from him authorizing Cory to act on his behalf was required.

Copies of Local Law No. 4, creating the 180 day moratorium on the construction of electrical transmission lines was provided to each member. A work session to discuss regulations for the electrical transmission lines will be held with the town board and town attorney. A copy of a draft zoning ordinance from the Town of Jerusalem was provided each member for informational purposes only.

A motion to adjourn was made by Chairman LaBarge and seconded by Jim Surace. The meeting adjourned at 7:50 p.m.

Respectfully submitted,  
Kathryn Smith,  
Secretary
